

STATE OF SOUTH CAROLINA  
IN THE COURT OF APPEALS

Appeal from Lexington County  
Eugene C. Griffith Circuit Court Judge

WILEY EUGENE SISK,

V.

STATE OF SOUTH CAROLINA,

RESPONDENT

APPELLATE CASE NO. 2017-000098

PETITION FOR EXTENSION OF TIME  
TO FILE THE RECORD ON APPEAL

The undersigned counsel respectfully requests a seven day extension in which to file the record on appeal in the above-referenced case. In support of this motion, counsel would respectfully show the Court the following extraordinary circumstances:

1. The record on appeal in this case is due to be served and filed today.
2. Counsel and her legal assistant have started preparing the record on appeal. It is voluminous in that it is almost 900 pages in length. In preparing the record, we discovered some problems with the designation of matter, which were addressed by the respondent's filing of a motion to amend the designation of matter in the latter part of last week. Additionally, counsel's legal assistant is new to the role, which necessitates more time with preparation of the record.
3. This request is made in good faith, and not for purposes of delay.
4. As indicated by the consent below, counsel for the state graciously consents to or does not oppose this request.
