SC COURT OF APPEALS

Commission and proven that my back injuries was caused by my job will All My Son's Moving & Storage.

I have reported my back injury to each doctors I have seen but to me they were more concerned about

my shoulder only when I was rushed to the ER was when my back pain was taken more seriously.

The X-ray showed exactly where it was and how much damage that has been done. I also would

like to entail about my surgery to my left shoulder which still grossly pains me. I request to be

reimbursed for my surgery I had to paid for through my insurance carrier Blue Cross and Blue Shield

at the cost of \$30,000 and medication not to be included with the cost of my surgery, fully reimbursed

for all medical expenses, due to Workers' Compensation Conflict of Interest in the State of South

Carolina. I would also ask the Courts of Appeals to please remove me out of the hands of George

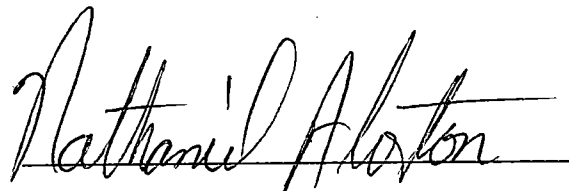

Gallagher and the Adjuster Jennifer. I do not feel safe or confident that they would do right by me.

I am afraid of what they may do to me next.

- 1) I have submitted all evidence to prove my findings to have my back submitted as part of this claim.
- 2) I have also submitted my fully favorable Decision from Social Security Disability proven my disability.
- 3) I would like to have criminal charges brought up all party involvement denying me my rights to equal treatment.
- 4) I Nathaniel Alston hereby Move to the Courts of Appeals, please accept this brief for everything I have said is to be true.

For all the aforementioned reasons, Appellant prays for the Courts of Appeal to accept his back to be added to this claim.
