Re: Christos Sialmas v. Sarah Maranda Sialmas
Case No.: 2017-CP-23-06205

Dear Ms. Kitchings,

I have received your deficiency letter dated April 6, 2018. The applicable rule provides that provides that the date of the order, judgment, or sentence from which the appeal is taken; *and if appropriate for the determination of the timeliness of the appeal*, a statement of when the appealing party received notice of the order or judgment from which the appeal is taken, or, if a cross-appeal, when the respondent received appellant's notice of appeal. SCRAP, Rule 203(e)(1)(C). I try my best to file notices within thirty days of entry of any order from which I am appealing. When I do, I omit the date of I received notice as it would not be necessary to determine the timeliness of the appeal.

I do see however where the notice of appeal and the certificate of service each contain typographical errors stating the year of entry of the order and service of the notice occurred in 2017. They should both read 2018. I have corrected those errors by way of the enclosed Amended Notice of Appeal and Amended Certificate of Service.

Sincerely,

J. Falkner Wilkes
