Re: Paul Shuler v S.C. Dept. of Corrections (SCDC)  
Case No.: 2018-000404

Dear Deputy Clerk:

I am in receipt, (April 10 2018), of your April 5, 2018 correspondence advising of the serving and filing of: Appellant's Initial Brief, and Designation of Matter.

I was unaware I could file such documentation, as your previous correspondence of March 13 2018 was directed towards correcting the noted deficiencies of the required filing fee; and the March 23 2018 letter concerning providing a Proof of Service regarding the March 17, 2018, (I submitted a request to proceed in forma pauperis), filing the Court construed as a Motion.

I respectfully request at this time an enlargement of time to compile, serve and file the Initial Brief and Designation of Matter with the Court and serve the Respondent.

I also am submitting a Motion with this request seeking enlargement, and requesting permission to serve and file the documents outside of the filing deadlines set forth by Rule 208 and 209 of the SCACR.

The Respondent has been served copies of all documents herein as affirmed by the enclosed Proof of Service.

Thank you for any considerations the Court may extend at this time.

Sincerely,

  
Paul Shuler # 369640  
Prose Appellant

MOTION TO ENLARGE AND FILE OUTSIDE OF TIME ALLOWED

Now Comes the Appellant seeking this Courts Permission to file his Initial Brief and Designation of Matter outside of Rules 208 and 209 of the SCACR.

The Appellant was unaware the said documents could be filed prior to being granted approval to proceed in forma pauperis as sought in his March 17, 2018 letter the Court has construed as a Motion seeking to proceed in such a manner.

The Appellant has submitted his Financial Statement he received from the SCDC Headquarters, Financial Accounting Division; and was awaiting, (and still is) the decision of the Court to grant approval to proceed in such a manner before submitting an Initial Brief and Designation of matter documents.

The Appellant respectfully request an enlargement of time to prepare, assemble, and file a proper Initial Brief, and attempt to have copied all documents desired to be submitted as designated matter, for both the Court and the Respondent.

Respectfully submitted,
