Hearing Date: October 23, 2012

Dear South Carolina Workers Compensation Commission and Ms. Davis:

I am writing to request the necessary materials to perfect the appeal of the above matter to the South Carolina Court of Appeals.

First, I would request a copy of the transcript of record of the hearing on October 23, 2012 before Commissioners Williams, Wilkerson and Beck. I assume this will be handled by Ms. Davis.

I would also request a copy of the APA submissions which are party of the Commission's file. I do not know whether this part of my request should be directed to Ms. Davis or the Commission. That is why I address this letter to both. I would ask that whichever of you is best suited to comply with my request in this regard to please get those materials together as well.

With kindest personal regards, I am

Sincerely,

Donald H. Howe
