S.C. SUPREME COURT

Ms French, you have received the transcript of April 22nd 2015 and I've yet to receive a response from you or SC commission of indigent defense office, you've received the transcript on October 28, 2015, I requested that the tapes not be destroyed in this action and no one has informed me that the tapes weren't destroyed, moreover, I request that a rule 60 B motion for leave in the appellate court be filed due to surprise, as I did not know where and if my witnesses went because they were removed by Lance S Boser, I request that Lance S Boser be subpoenaed to give account to him removing my witnesses from the court and the case being dismissed. As his affidavit is needed. I also request that my Prover of Attorney Aisha Greene be subpoenaed to give a affidavit as to what took place, moreover, I request that a rule 60 A be filed of SC rules of civ P. due to the court's neglect to file Plaintiff's motion to ~~amend~~ alter or amend on dates 5-19-15, 5-22-15, 4-28-15, Plaintiff also request that counsel send a copy of the transcript, and appeal the denial of Stephanie P McDonald discovery on the grounds of denial of x-rays and ct scans and ~~other~~ petitioner being denied due Administration of Justice.

You've had this transcript 18 days or so and has failed to give me a copy, I need to review this transcript to ensure it's accurate. As you know conspiracy is a broad-  
moreover, what MY Motion for Bond has not been entertained.
