SC Court of Appeals

Appellate Case No. 2016-002488

Respondent,

City of Rock Hill,

v.

Appellant.

Triando Stroud.,

APPELLANT'S REPLY TO APPELLANT'S RESPONSE TO THE MOTION TO REINSTATE THE APPEAL

The dates the Respondent mentioned for example April 6<sup>th</sup> 2018 I didn't send until April 9<sup>th</sup> 2018 is false. I actually fax that document & mailed it out on the deadline date and the reason that date is familiar because April 9<sup>th</sup> 2018 my birthday I wasn't in town. Also, proof of service I sent everyone the address to send mail to and that's 235 E. Main. St. Suite 130-B Rock Hill, Sc 29730. I have not received any of my return receipts. I asked the guy over the office suites and he said he didn't see any mail in my name. The only thing I received at that address concerning this case is my transcript. 912 Pebble Road is a family residence I'm in the process of buying and luckily I received Mr. Christopher Barton response. Instead of the Charlotte address I sent everyone the office address. I'm trying my best to do everything I need to do in timely fashion. My public defender told me after I do the appeal he won't be able to help because he wasn't going to be a public defender any longer and when I tried to get an attorney he talked to the attorney and the attorney didn't want to take the case since it gotten this far. I'm just asking for a chance to look over my appeal again and make another decision. I don't want to lose because the right forms wasn't turned in timely matter when I have address issues, I would rather my case be seen or heard.

Thank You In Advance

Triando Stroud
