Re: Tara Dawn Shurling v. John Daniel Springer, #294365; 2017-CP-40-00580.

Dear Ms. Kitchings:

Enclosed please find for filing my original Notice of Appeal with Certificates of Service and one copy to be clocked in the above referenced matter. An Order denying my Appeal from the Fee Disputes Board was filed on March 9, 2018 and the Order denying Appellant's Motion to Alter or Amend the Judgment was filed on April 4, 2018. While Rule 217, SCACR does not require it at this stage I am advising the Court of my intent to argue against precedent in this matter. *See, Wright v. Dickey*, 370 S.C. 517, 636 S.E.2d 1 (Ct. App. 2006). If you would be so kind as to file the original and return the clocked copy in the self-addressed stamped envelope provided for your convenience I would be most grateful. With my thanks for your assistance in this matter, as always, I remain,

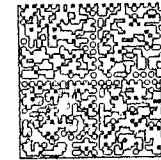

Sincerely yours,

A large, elegant handwritten signature in black ink that reads "Tara Dawn Shurling". The signature is written in a cursive style with a long, sweeping tail that loops back under the name.
