

May 2, 2018

Mr. Shearouse,

My name is Antonio Jacobs # 326881, and I am writing the South Carolina Supreme Court regarding my writ of certiorari. Counsel, who was appointed by the state, for my defense filed a Johnson petition claiming my case lacked merit. The courts granted me (45) days initially to file a petition, where in that time I filed my first (30) day extension which was granted bringing my deadline date to May 16, 2018. Here at Lee Corrections we have been currently on lock down going on three weeks, and haven't had access to the Law Library since we've been confined to our cells. Being as though I'm taken to the Law I'm requesting another (30) day Extension hoping we come off lock down soon so I can continue my research and submit my petition within the prescribed time. I kindly hope you can understand my position.

Sincerely,

Antonio Jacobs
