**Motion To Allow Late Filing of the Amended Proof of Service of Notice of Appeal**

---

NOW COMES Appellant, moving this Court to allow for the late filing of the Amended Proof of Service of the Notice of Appeal. A scrivener's error was made in the Proof of Service, stating that the service date was March 15, 2018. In fact the service date was April 4, 2018, the same date the Notice of Appeal was executed. This scrivener's error is evidenced by the fact that the original Proof of Service shows the service of the Notice of Appeal to be nearly an entire month prior to the execution of the Notice of Appeal.
