RE: Donna Jensen v. Matthew B. Wiseman  
No. 2015-002095

Dear Ms. Allen:

I apologize for my slow response to your inquiry regarding the possibility of appearing before the Court of Appeals in March in connection with the above referenced matter. I am attempting to schedule surgery in Florida for mid April. There are a number of tests and examinations that I have to complete before the surgery can be undertaken. While I do not have a specific conflict on the two days you referenced, I am attempting to get some of the testing completed during the second and third week of March and would appreciate it if this case could be carried over. In the event you are not in a position to grant my request, I certainly understand and will make arrangements to participate in the oral arguments. The surgery that I am going to pursue is not elective, and I would like to have it completed as quickly as I can; hence, my request for the continuance.

Thank you for your consideration in this matter I remain

Sincerely yours,

  
(Transcribed and signed in my absence)
