

The South Carolina Court of Appeals

Barry Adickes, Claimant, Respondent,

v.

Philips Healthcare, Employer, and Fidelity and
Guarantee Insurance Company, Carrier, Appellants.

Appellate Case No. 2016-000514

ORDER

This court remanded this case to the Workers' Compensation Commission for an updated calculation of benefits pursuant to section 42-9-20 of the South Carolina Code (2015). This court denied Respondent's petition for rehearing and Respondent has not petitioned for a writ of certiorari. Appellants have now filed a motion to suspend benefits. Because this court remanded this case to the Commission for an updated calculation of benefits, we find that Appellants' motion is more appropriate for consideration by the Commission. Accordingly, we decline to entertain Appellants' motion.
