SC COURT OF APPEALS

RE: APX Alarm Security Solutions, Inc., v. S.C. Department of Labor, Licensing and Regulation,
Case No. 13-ALL-30-0320-AP, Appellate Case No. 2012-213451
Request for Expedited Review of Respondent's Motion to Dismiss

Dear Ms. Kitchings:

Respondent respectfully requests an expedited review of its motion to dismiss the above-referenced matter, which is an appeal of a denial of a motion by Administrative Law Judge Carolyn Matthews. Judge Matthews previously ordered the matter remanded to the State Contractors Licensing Board, which hearing is scheduled for January 17, 2013. The Board will not meet again until April 18, 2013. Therefore, Respondent respectfully requests expedited review of its motion to dismiss this matter, such that this hearing may go forward as scheduled should the motion be granted.

Thank you for your attention to this matter. If the Court requires additional information, please let me know.

Very truly yours,

Suzanne Hawkins
Assistant General Counsel
