Reference: SC Court of Appeals Case # 2017-001484 (Appeal of 2016-ALJ-04-0869-AP)

Dear Mr. Rice:

I received your document styled "The Request Designation of Matter to be included in the Record on Appeal" in the above referenced case. In that document you stated that you cannot comply with the Court's March 29, 2018 order which directed you to file a supplemental record on appeal because you do not have the documents with which you have been ordered to supplement the record. Specifically, you stated that you do not have copies of (1) your eight sentencing sheets, the Conviction Summary from SCDC's Offender Management System, and (3) your Inmate Offense History from SCDC's Offender Management System. All of these documents were included in the Record before the Administrative Law Court in case 2016-ALJ-04-0869-AP from which you are now appealing. That Record was served upon you by my office on February 22, 2017. Since you are apparently no longer in possession of these documents for some reason, I have included here an additional copy of the Administrative Law Court Record. This should enable you to comply with the Court's March 29, 2018 order.

Sincerely,

Annie Rumler  
Staff Attorney
