1 conversations or certainly not any specifics of any
2 conversations you had with the inspector about the
3 roof outside of what you just told me?

4 A. I don't remember.

5 Q. Okay. And, again, I understand that
6 after you had this inspection report done, you then
7 had contractors come out and look at the home. Is
8 that correct?

9 A. I don't think so, after closing, but
10 not -- not during the process of the -- of the
11 purchase of the home.

12 Q. Okay. Maybe I misunderstood you, but I
13 thought your testimony earlier on -- and it may
14 have been last Wednesday -- was that at the time
15 you were considering buying the home as-is, you got
16 an inspection report done, you had some contractors
17 come out and look at it, and then ultimately you
18 decided against that contract, but that was my
19 understanding of what you had said earlier.

20 A. I don't remember anybody else coming
21 out.

22 Q. Okay. But, regardless, you don't
23 recall having any roofers come out to look at this
24 home prior to Thomas Humphries and Dr. Roofs coming
25 out when they did in March of 2014?

1 A. No. As I said before, I didn't feel
2 they needed to. The realtor said there was nothing
3 wrong with the roof. Mr. Humphries said there was
4 nothing wrong with the roof.

5 Q. Okay. And we'll get into this, but did
6 Mr. Humphries specifically tell you that?

7 A. He specifically told my wife that.

8 Q. Did he tell you that?

9 A. No.

10 Q. Okay. So, again, to your knowledge,
11 Dr. Roofs was -- or Thomas Humphries -- and again
12 I'm referencing both of them as kind of one and the
13 same -- when he came out to look at your roof, that
14 was the first roofer to come out to look at this
15 property as it relates to the inspection report,
16 correct?

17 A. I think so.

18 Q. Okay. And do you know who contacted
19 Thomas Humphries to come out and look at the roof?

20 A. I believe the previous owner.

21 Q. Okay. And I know you have said this
22 earlier, but just again, to be clear, you were
23 aware that you could have gotten a roofer and you
24 could have contacted a roofer to come out and to
25 look and to address the issues that were listed in

1 this inspection report, correct?

2 A. I could have. The thought never
3 crossed my mind, because, again, we had a lot of
4 confidence in the realtor.

5 Q. But, again, just to be clear, this
6 inspection report was generated in January of 2014.
7 Mr. Humphries came out in March of 2014.

8 But that entire time, you were aware
9 that you could have contacted a roofer to come out
10 and look at this home, correct?

11 A. I guess we could have.

12 Q. And you didn't, correct?

13 A. I don't think so.

14 Q. Okay. And you've read this inspection
15 report, correct?

16 A. I've read it. I have a hard time
17 comprehending it and going through it, but I have
18 gone through it at some point.

19 Q. And it is included in what I have down
20 as Exhibit 8. Let me get that for you. But just
21 so we can be clear.

22 For the record, I'm handing over
23 Exhibit 8 and what's been Bates stamped as NextGen
24 134.

25 And you have been asked questions on

1 Q. Is that correct?

2 A. That's correct.

3 Q. All right. And so he didn't just say
4 there is a duct down. He said, there are problems
5 with the ducts, but I can fix that for you for
6 \$150. Is that right?

7 A. That's what he said; that's correct.

8 Q. And your husband declined to hire him,
9 because, as your husband said at the deposition, he
10 took the position that that was something that the
11 seller should pay for?

12 A. That is correct.

13 Q. Okay. So he went under the house,
14 Mr. Mooneyham did, along with Mr. Boyle. Remember
15 that?

16 A. No, I do not, because I wasn't with
17 each inspector, as I testified earlier.

18 Q. Oh, well, do you remember your husband
19 saying that?

20 A. No, sir.

21 Q. You don't remember that?

22 A. No, sir.

23 Q. So you don't know whether he was or was
24 not with Mr. Mooneyham under the house?

25 A. My husband?
