I'm writing you today because I discovered that my wrongful conviction case is over from the orders that I received from your office/court as to where my brief pursuant to white is no longer pending as of March 23 2018 and also the petition for writ of certiorari asking to get a belated direct appeal, I've already had been granted this appeal since August 2016 and it was signed by Judge Dayett EARLY. They both have been filed and granted. Seeing as how Ms Susan Hackett prepared my amended brief and asked the panel of 3 judges for a directed verdict of acquittal... when am I going to be released? I've been unlawfully held for 3 years and

3 months, including being on Lock-up
for the past 6 months here
at Perry (program for Lifers and)
with no charges just because
they have no bedspace and also
2nd year in Nov. I was stabbed
5 TIMES and nearly was killed
for no reason at all so yes
I ready to get back to work
and get to my family. Please
check everything out. I've got all
orders, paperwork, letters everything
that has to do with this case.
and you'll find the state never
had a case against me or evidence
physical or circumstantial or witnesses.
How can a lawyer obtain a true
Bill indictment without evidence?
and how can a grand jury issue
a true bill without a witness,
statement, or evidence. I'm just
Ready to go home.

THANK YOU

- WILLIAM
