RE: Emily Nichols Felder, Executor of the Estate of Mamie F. Nichols v. Albert N. Thompson,
Jr. et al.

Appellate Case No. 2018-000615

Dear Mr. Shearouse and Ms. Shealy:

Today, I see that the South Carolina Appellate Case Management System appears to show an untimely Respondents' Return to Writ of Certiorari with a received date of May 21, 2018 with no Respondents' record and brief on the appeal on file. Also, the contents of the Respondents' Return to Writ of Certiorari seem to be identical to the Respondents' Return to Appellant's on Petition for Rehearing (see page A6 of the Petitioner's Appendix) that precedes the Appellant's Reply on Petition for Rehearing (see page A2).

Notably, no legible postmark is viewable on the envelope and package for the Respondents' Return to Writ of Certiorari on the SC Appellate Case Management System. Therefore, please clarify whether the Respondents' Return received by the Court on May 21, 2018 also has a filing date of May 21, 2018. If not, I may need additional time to reply.

Thank you for your attention to this matter.

Sincerely,

Precious Felder, Esquire
