Re: Michael D Bellamy v. State
Appellate Case No. 2018-000465
Lower Case No. 2016-CP-26-2172

RECEIVED

MAY 25 2018

S.C. SUPREME COURT

Dear Clerk

Undersigned Counsel filed a Notice of Appeal in the above action. However, as an officer of the Court, I am unable to set forth any arguable basis for asserting that the PCR judge determined improperly that Petitioner's PCR application was barred by the statute of limitations.

Undersigned advises that he is serving Petitioner a copy of this letter and notifying him that he should notify the Court within 20 days from the date of the letter of any arguable basis for asserting that the PCR Court's decision was improper.

Sincerely Yours

James Falk
