RE: Transcript request for remaining transcripts for 2014-CP-10-05407 and 2017-CP-10-04031  
S.C. Court of Appeals Case Number 2018-000056

Ms. Smith,

I, and my late wife in 2016, previously requested and have received transcripts for the following hearings for cases 2014-CP-10-05407 and 2017-CP-10-04031.

2014-CP-10-05407

1. 1 December 2015
2. 21 March 2016 - see additional information below.
3. 4 May 2017
4. 7 August 2017

2014-CP-10-05407 / 2017-CP-10-04031

1. 18 September 2017
2. 25 September 2017
3. 26 September 2017 – partial – see additional information below
4. 29 November 2017

I am in the process of verifying receipt of all of these transcripts with the exception of the known remainder of the transcript for the 26 September 2017 hearing.

As you will note, Ms. Abbott Kitchings, the Clerk of Court of the S.C. Court of Appeals is copied.

This letter is to both request the remainder of the transcript for the hearing on 26 September 2017 and to properly meet the Court of Appeals requirement for me to request the transcripts of hearings related to my appeal of case numbers 2014-CP-10-05407 and 2017-CP-10-04031 by 21 May 2018.

Consequently, I am sending this letter via certified mail to both you and Ms. Kitchings. (Given the situation with the Wando bridge being closed, the traffic getting from Mount Pleasant to the court house is quite difficult to say the least.) I have also enclosed check number 748, drawn on Navy Federal

Credit Union, and in the amount of \$701.90, to request the remainder of the transcript from the 26 September 2017 hearing. I believe based on our previous communications, the \$701.90 amount is either accurate or very close to the amount required. Please let me know soonest if additional payment is required by some chance.

Of additional note, given our discovery last July that the transcript of 21 March 2016 was inaccurate, and Judge Scarborough's denial of my motion to correct the record last 29 September 2017. I have recently submitted a motion to compel the correction of the record / transcript related to the hearing on 21 March 2016. Consequently, this could require additional action related to this transcript in the future. Also, based on my initial review of the portion of the 26 September 2017 transcript I currently have, I have identified at least one concern which I will bring to your attention once I have the entire transcript and a chance to review in its entirety.

Thank you for all of your assistance to date, please let me know if you require any additional information or payment, and if not, please let me know when the remainder of the 26 September 2017 transcript is available so I may provide the required transcripts to the S.C. Court of Appeals soon thereafter.

Best regards,
