

The reason I have asked, -of my Public Defender  
to make me a copy of an appeal. Is so I can speak  
with the Court of Appeals and tell them that  
I did not understand any of my motion of  
discovery. I have only seen my Public Defender  
out of my first 6 months of being lock  
up in County 1 time. After my last  
appearance. I was a pose to be given  
all of my warrants. I did not know  
nor, was I given an assault on a police  
officer warrant. As I was given my  
motion of discovery 2 days before  
court after 9 months. Which is a long time  
for anybody, to get there motion of  
discovery. I was then notified by a new  
Public Defender that my old one sent.  
Neither did either know anything about

SC Court of Appeals

MY CASE, When i Seen MY Public defender he told me, it's good that i got time serve.

Adding on from my days done, An County. In he ASKed me did i have ANY questions to ASK. In i couldent because i did not know ANYthing About the Court system.

I notice my motion of discovery on the table. In i ASK MAY i have it, To take with me so i CAN study it for when i have to go to court. He SAid He HAd to MAKE A COPY for His self, An He would send me a COPY of it soon.

An he would send, A LAWYER to come An HELP me out. But He sent THOMAS A. M. Bogggs AN ASSISTANT

Public Defender - which was bad  
for me cause he even more, did not  
know anything about my case. So the  
first time i met him. He said that my  
charge ARM Robbery holds up to, at least  
10 years which is the minimum, then  
he told me if i take my case to trial  
sense being convicted of my sentencing  
makes the actual time of the charge  
result to 10 to 30 years. An he wrote down  
some of my information in i asked  
him what about the YOJ. An he told me  
my charges dont qualify for it.  
An that the judge aint throwing no deals.

Not from my motion of discovery but  
from my charges, I notice several things  
I did not do. Which are lies that I  
notice. And which the Judge my  
Public defender and the Solicitor  
seen which where errors in my charge  
pertaining to the burglary. saying  
that for my second and third  
degree burglaries that I broke in two  
times on each of the two different  
days the 23 and the 26. The motion  
had no pictures or evidence of  
burglary in it, so the Solicitor said  
witnesses seen me go in which were lies.

MY PUBLIC defender did not give me  
Proper representation for MY CASE. I did not  
TAKE MY CASE to TRAIL because I WAS  
Severely lied on by The SPARTANburg  
Police officer Joseph A. Pilato which  
ATTACK ME AS I WAS being GRABED by  
him, AN WAS PUSHED to the ground  
to be knocked of MY balance. AN  
Two K9 TRUCKS WAS WRITE ACROSS  
the street watching everything. AN if  
WHAT he SAYING is true than that  
means, The officers watch, us fight  
AN did not get out there TRUCKS  
to help ARREST ME. That why I want AN APPEAL
