And the South Carolina High School League .....Respondents

APPELLATE RESPONSE FOR THE STATE OF SOUTH CAROLINA IN THE COURT OF APPEALS TO  
DISMISS RESPONDENT'S JOINT MOTION TO STRIKE APPELLANT DESIGNATION OF MATTER  
DOCUMENTS

It is the hope of the Appellate that the South Carolina Court of Appeals will dismiss the Respondent's Joint Motion. All future documentation requested was addressed to the Circuit Court and all documentation provide sufficient evidence support the salient facts alleged by the Appellate. The Appellate complies by all rules and requirements communicated by laws in the Appeal process, therefore, the clerk should not issue an order of dismissal nor strike the Appellants Designation of Matter documents. The South Carolina High School League has access to all documentation with all Arbiter communications. The Respondents are attempting to prevent truth and facts on the record. The Appellate evidence has come from discovery documents the Respondents were willing to share. The Appellate has declared several times that the Respondents are guilty of Discovery Abuse and now they are attempting to prevent the Appellate from presenting evidence not provided by the Respondents. The Appellate has evidence on the type of entity the South Carolina High School League is according to South Carolina Secretary of State Mark Hammond Business Entities Online. The Appellate contacted her state senator from district 8 Ross Turner for the same information. The South Carolina High School League is still creating fictitious narratives and harassing the Appellate with the same behavior to attempt to halt the Appellate from officiating Football, Volleyball, Lacrosse and Softball for the South Carolina High School League. The Appellate has evidence to counter the Respondents fictitious narrative with evidence of her affiliations with other basketball officials to counter the claims of the Respondents. The Appellate filed several Motions to Compel and communicated the Discovery abuse she experienced by the behavior of the Respondents and the Transcripts from Judge Couch and Judge Verdin will provide the truth on the record.
