Motion To Correct

Amend, Modify

Barnes Towing)

SC Court of Appeals)

Order

Defendant)

Now comes the above named Plaintiff, please to move this Court for and Order to Correct Amend, Modify the Order handed down signed 5-16-2018, by Judge Michael Nettles.

The Plaintiff argues that numeral (5) of the Conclusions of Law is incorrect and needs Correcting, Amending Modified, whereby it states: the Court did not err when it allowed Respondents "Towed vehicle slip" to be introduced into evidence, And it was properly authenticated through Mike Barnes, over of Barnes Towing.

This is wrong, There is no Towed Vehicle slip, It was a Towed Vehicle Report issued by state of South Carolina Public safety, And if the proper identification for it is not corrected it will prejudice Plaintiff Appeal

Also this Towed Vehicle ^{Report} was not Respondents Invoice as it looks like the Court has got the two mixed up. Respondents Invoice had the price amount for Towing, The Towed Vehicle Report was what was entered as evidence And it did not have any price amounts making it

relevant. Only the items that were in the vehicle would be listed in this report.

wherefor the Plaintiff prays the Court issues its order to correct modify Amend the Order, And remove Towed Vehicle Slip to reflect Towed Vehicle Report and remove its relevant because its provided the amount of Tow Bill, because it didn't, it only provided items in vehicle, please correct, or as the Court deems, just and proper.
