Appellant hereby moves pursuant to Rule 263(b), SCACR, for an extension to July 31, 2018, of the time in which to serve and file Appellant's Initial Brief and Designation of Matter to be Included in the Record on Appeal in this case. The grounds for this motion are that there is good cause to grant the requested extension, as the following shows:

1. The deadline for service and filing of Appellant's Initial Brief and Designation of Matter to be Included in the Record on Appeal is currently June 6, 2018.
2. This is the second extension that Appellant has sought in this appeal.
3. Among other crimes, the Appellant in this case was convicted of murder, for which he was sentenced to 45 years' imprisonment. To say that the stakes are high is an understatement. The Appellant needs the best work possible done on this appeal.
4. The undersigned counsel is a private practitioner who was appointed to represent the Appellant in this case through a continuing legal education pro bono program coordinated with the Office of Appellate Defense.
5. The undersigned is still reviewing the record and evaluating the issues in the case. The trial transcript in this case exceeds 700 pages in length. Numerous exhibits were admitted, which counsel has not yet had time to review.
6. The undersigned has longstanding vacation plans for next week and numerous other writing deadlines in other cases.

7. In view of the workload presented by this case and his other cases, the undersigned counsel believes that extending the briefing deadline to July 31, 2018, would be a realistic extension and present an opportunity for him to be fully versed in this case and its arguments, so that the Appellant may receive quality representation in this appeal.
8. Appellant's counsel believes there is good cause to grant the requested extension of this deadline.

WHEREFORE Appellant prays for an order extending the time in which to serve and file Appellant's Initial Brief and Designation of Matter to be Included in the Record on Appeal to July 31, 2018.

Respectfully submitted,

Andrew S. Radeker
