TO: Daniel Shearouse

S.C. SUPREME COURT.

Yesterday I recieved notice that my case has been remitted I don't quite understand what that means I'm thinking it means the judgement is final. Rule 221 says I have 15 days to file for descretionary review with the Supreme Court of South Carolina. I was not given those fifteen days. The letter I recieved yesterday is postmarked 5/25/18 I recieved it yesterday the previous order is post marked 5/9/18 I recieved it on the 15<sup>th</sup> therefore the 15 days are up today. By now you have recieved my request for descretionary review that I sent on the 25 to your office certified also attached copy of order the following Monday the 28<sup>th</sup> I ask that this issue be brought to the Court attention ensuring I recieve fairness of correct time allotted.
