Appeal

I, Jewelita Baylock, is requesting that the Court of Appeals re-open my case, 2017-001661. I was just made aware that my case was dismissed because I failed to request transcript in which I have requested and even have a letter acknowledging that request. I have five children and nowhere to go. I am sending via fax as well as mail a copy of this appeal along with motion to stop the eviction and ejectment along with another updated transcript request that will be sent out again today June 7, 2018. ~~Again~~ Again, I am requesting that the decision of my case be overturned and reopened to proceed on to be heard by a judge in the Court of Appeals. I am also asking if the writ of ejectment that was filed on June 4, 2018 be stopped and if possible to be allowed for time for any other parties and Court Houses to be allowed to address this matter if it is necessary. I am also asking

Appeal (Continued)

For the Court of Appeals to please handle this matter expeditiously and immediately if possible. If possible to assist with expediting notices to all parties via fax and mail. If the Court of Appeals can not assist. I am asking for the Court of Appeals to step in allowing reasonable time other the 24hrs to vacate. However I hope that my case could be reopened based on the fact I did do what was requested and because of medical reason did not receive anything else
