To whom it may concern,

I respectfully ask that you take the time to carefully consider my pro-se brief. I know my attorney Susan Hackett filed an Anderson brief, "saying I had no merits," ~~but~~ I strongly disagree and I have listed a few in my brief. I ask with all respect that the law and the plain language of the Law be taken into consideration especially when it comes to the elements within my convictions. Please give my Pro-se brief the same respect as if a paid attorney typed it. I am incarcerated under a false conviction I have proved it in my brief.

Thank you,

Malcolm Williams.
