Above is proof that the magistrate court was notified of pending motion in Appellate Court, and to stay ejectment and bond hearing pending motion. Paul White said he did not receive fax. This was another lie told. Also he has been practicing law without license and making legal determinations regarding paperwork submitted.

A case has been filed in Federal court regarding eviction between myself and Kim Henderson. Also a motion has been filed staying ejectment and decision made at bond hearing. The eviction has been placed in Federal court jurisdiction.

A case has also been filed in Federal court against the following parties; Paul White, Judge Darnell Fisher, and Judge Stilwell, all Court of Appeals judges, and Claire Allen.

Any service would be delivered by the U.S. Marshall.

They are disqualified from my case.

Any attempt to eject me would add to current charges and for damages. I also reserve the right to join other parties, including public officials if it becomes necessary. For which Greenville County would also be liable.

The judges have no jurisdiction over me and my case. Which they have been notified of. I do not consent to case being tried in their courts.

I gave the prior notice of conflict of interest and that I was pursuing legal action against them. We are now in litigation and any rulings demonstrate conflict of interest.

In addition the following parties have been notified about both the Judges, Paul White, and Kim Henderson (landlord), Court of Appeals Judges, and Claire Allen.

FBI (Public Corruption and Civil rights)
DOJ (In at least three Departments)
ADA

Postal Inspector
HUD
Office of Disciplinary Counsel
Attorney General
Nursing board
SC Ethics Committee
United Nations
