Re: William Allen #178666 v. SCDC  
Appellate Case No. 2017-000596

Dear Mr. Allen:

Upon reviewing your appellant's final reply brief, the following deficiency has been noted under the South Carolina Appellate Court Rules (SCACR), and this deficiency must be corrected within ten (10) days of the date of this letter or your appellant's final reply brief will not be considered:

- The content of your appellant's final reply brief must be identical to the appellant's initial reply brief, with the exception of correcting typographical errors and references to the record, pursuant to Rule 211(b) of the SCACR. Specifically, the content in your table of contents and cases, statement of issues on appeal, statement of the case, and argument provided in your appellant's final brief are different from your appellant's initial brief.
- You must serve and file an amended appellant's final reply brief, along with a new certificate of counsel and proof of service, within ten (10) days of the date of this letter.

Very truly yours,

*V. Claire Allen, Deputy*
