Re: Bobby Anderson v. Amazon
Appellate Case No. 2018-000993

Dear Mr. Anderson:

We are in receipt of your filing dated June 13, 2018, which is presumed to be a response to the Court's letter of June 1, 2018. However, we are already in receipt of your corrections regarding the proof of service for the notice of appeal. As of the date of this letter, we have not received proof of service for your motion to proceed in forma pauperis. This is the Court's second request for this correction. You have ten (10) days from the date of this letter to provide this Court with a proof of service for your motion to proceed in forma pauperis. Your motion will not be considered, and this appeal will be dismissed for failure to provide the notice of appeal filing fee if no correction is made within ten (10) days from the date of this letter.

Furthermore, please be advised that unless all parties agree to proceed with this appeal without a transcript, you are required to obtain a transcript if one is available pursuant to Rule 207(b)(1) of the South Carolina Appellate Court Rules.

Very truly yours,

V. Claire Allen, Deputy

CLERK
