Re: Bobby Anderson v. Amazon
Appellate Case No. 2018-000993

Dear Mr. Anderson:

Upon reviewing your proof of service, filed on June 15, 2018, the following deficiency or deficiencies have been noted under the South Carolina Appellate Court Rules (SCACR), and this deficiency must be corrected within ten (10) days of the date of this letter or your motion to proceed in forma pauperis will not be considered. This is the Court's third request for this correction:

- The accompanying proof of service is not in compliance with the SCACR. Specifically, your proof of service still states that you certify that you have served the notice of appeal. However, we are in need of a proof of service for your motion to proceed in forma pauperis. Your proof of service should be substantially in the format shown by Form 7 in Appendix C to part II of the SCACR.

Very truly yours,

CLERK
