

The South Carolina Court of Appeals

The State, Respondent,

v.

Johnnie Lee Jones, Appellant.

Appellate Case No. 2017-002619

ORDER

Appellant has appealed the denial of his motion for a new trial. Appellant has now filed a motion requesting to be furnished the transcript, stating he is indigent and unable to afford the transcript. Because the transcript from the hearing on Appellant's motion is necessary for a meaningful judicial review of this appeal, Appellant's motion is granted. The Office of Appellate Defense shall order and arrange for payment of the transcript. The Office of Appellate Defense shall provide proof the transcript has been ordered within ten days of the date of this order.
