

MEMORANDUM

TO: The Court
FROM: Amelia Smith
DATE: 06/20/2018
RE: Andrew Young v. Mark Keel
Appellate Case No. 2018-000082

Appellant's counsel filed a motion for a second, consent, extension to file the appellant's initial brief and designation of matter. The proof of service states the motion was served "to the addresses as reflected on the Notice of Appeal" instead of providing the required information. We sent a deficiency letter regarding the deficiency on June 6, 2018.

No correction was received. And no brief or designation of matter has been received.

Please advise. Thank you.
