RE: Molly M. Morphey, Appellant v. Stephen Dudek, et al., Respondents
Case No. 2013-CP-18-00074
Appellate Case No. 2017-001393
SJC File No. 17-232

Dear Ms. Kitchings:

I am now in receipt of the Appellant's final briefs. As stated in the Respondents' pending Motion to Dismiss and Second Memorandum in Support of that Motion, the Appellant has willfully refused to include in the Record on Appeal items listed in the Respondents' Designation of Matter. She then certified to this Court that the Record on Appeal contains all materials proposed by the parties, a blatant misrepresentation to this Court. In fact, she has communicated to this office on two separate occasions that she would not include certain transcripts in the Record on Appeal, even though the Respondents listed them in their Designation of Matter. (see Ex. 1 to Respondents' Mot. to Dismiss and Second Memo). It seems apparent that the Appellant is now attempting to push her appeal through the system, when she has refused to abide by the appellate rules throughout this appeal. Based on the above-mentioned communications, she has not even ordered certain transcripts from hearings giving rise to this appeal. At the risk of pointing out technical mistakes, her final brief is not bound and its cover page is an incorrect color.

Thank you for your assistance. Should you have any questions, please do not hesitate to contact me.

Sincerely,

A handwritten signature in black ink, appearing to read 'S.M.W.', with a stylized flourish at the end.
