RE: Douglas Thompson v. State of South Carolina
Appellate Case No. 2017-000547
Lower Court Case No. 2014-CP-08-1602

Dear Mr. Shearouse:

The Return to Petition for a Writ of Certiorari in the aforementioned matter is due to be served and filed today. I would respectfully request a third 30-day extension in which to serve and file the Return to Petition. This request is not intended for the purpose of delay. Rather, this request is necessitated by a heavy workload. Counsel for Petitioner, Elizabeth Franklin-Best, has indicated that she consents to this extension via email.

Sincerely,

No problem at all. But I'm at home with sick kid so I can't sign consent. Feel free to sign for me, if you need signature.

Ms. Franklin-Best,

The State's Return to Petition for a Writ of Certiorari is due to be filed and served today in the Douglas Thompson PCR Appeal. Due to my heavy workload, including handling the caseload for two vacant AAG positions as well as my own caseload and supervisory duties, I am requesting a third thirty day extension to complete and file the RPWC. I am reaching out to see if you will consent to my third extension request.

Please let me know if I can provide any more information.

Sincerely,

Megan Harrigan Jameson
