S.C. SUPREME COURT

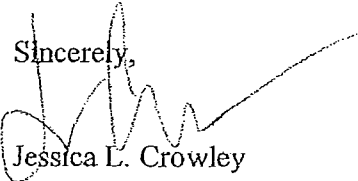

Re: Betty Fisher and Lisa Fisher v. Bessie Huckabee
Appellate Case No.: 2018-000566

Dear Chief Justice Beatty,

On May 24, 2018 Your Honor entered Order of temporary stay in the above matter pending review of Appellants' Petition for Writ of Supersedeas and Emergency Interim Relief. On June 13, 2018, this Court issued Order denying supersedeas and lifting temporary stay. Said Order further mandated "all real and personal property belonging to Shaw-Baker's estate . . . shall be delivered to the personal representative, Bessie Huckabee" within seven days. Appellants subsequently filed their Motion for Reconsideration or Modification of Order dated June 13, 2018, which this Court denied by its letter dated June 20, 2018. I am writing to inform the Court that, while Appellants have delivered keys to the estate real property to counsel for personal representative, they have failed to deliver other assets of the estate, including, without limitation, bonds in the amount of \$123,750.00, 8 pieces of jewelry belonging to the decedent, and other miscellaneous documents and items of personal property belonging to the estate.

I remain at the Court's disposal to provide any further information or for any further proceedings as the Court may deem appropriate.

Sincerely,

Jessica L. Crowley
