Trial Court Case No. 2015-GS-47-07

Dear V. Claire Allen, Deputy Clerk,  
Due to an Institutional epidemic of legal mail not being mailed. Did you receive my Anders Pro Se Response Brief? I mailed it in March of 2018. Was it Filed? On 12/19/17 you granted me an extension to have my Pro Se Brief Filed I am well within that window. It is my understanding that the State has 30 days from the date I filed my brief, and if they file for an extension no more than 90 days to file their response. From Feb. 5 its been 4 months will you explain whats going on.

Thank You
