RE: Wayne's Automotive Center, Inc. v. South Carolina Department of Public Safety  
Appellate Case Number: 2017-002455  
ALC Docket Number: 16-ALJ-30-0410-CC  
Our File Number: 107.10114

Dear Ms. Kitchings:

This letter is to request a one-week extension of time in which to file the Initial Respondent's Brief of Respondent-Appellant South Carolina Department of Public Safety and its Designation of Matter to be Included in the Record on Appeal with regard to the above referenced appeal. I currently have other obligations and deadlines that will prevent me from completing the Initial Respondent's Brief by the current June 28, 2018 deadline, including another brief due on that date, out-of-town depositions, as well as a mediation in a complex federal environmental case taking place on June 28th. I have also had some personal family issues that I have been tending to in the past two weeks that have resulted in my being out of the office for a few days and put me behind in my deadlines. Please note that the Respondent-Appellant has not requested any prior extensions for this brief.

By my calculations, the Initial Respondent's Brief of Respondent-Appellant South Carolina Department of Public Safety and its Designation of Matter to be Included in the Record on Appeal will now be due on or before July 5, 2018.

I have not enclosed a filing fee for this request since the Respondent-Appellant South Carolina Department of Public Safety is exempt. If you require a formal motion, please advise.

Thank you very much for your consideration of this request.
