Re: *State of South Carolina v. Phillip Wesley Walker*
Appellate Case Number 2017-002204

Dear Ms. Kitchings:

Thank you for your letter dated June 4, 2018. Please allow me to respond.

On April 17, 2017, I received a copy of Mr. Walker's trial. When I received it, I realized I inadvertently had not requested jury selection and pre-trial hearings that occurred on a different day. I thought I had made arrangements to obtain that transcript, but I overlooked sending the check, but I have corrected that. A copy of my email correspondence with the court reporter are enclosed.

I have received the transcript for Mr. Walker's sentencing hearing. I do not have a notation of the exact dater I received that transcript. The final invoice for that transcript is dated May 9, 2018, a copy of which is enclosed, and I would have received it within a few days of that date.

Thank you for your attention to this matter. Please let me know if you have any questions or require additional information.

With kindest regards, I am

Yours very truly,

E. Charles Grose, Jr.

Sorry, I do not. There's already a couple big ones ahead of it that just ordered, as well.

My mistake. You should have a check the first of next week. Do you have an estimate on how long it will take to complete it?

Best,
Charles

Just checking in. Did we ever close the loop on this transcript request? I don't see where I sent you a check. I was traveling when we corresponded about this, so I might have overlooked it. I still need it and want to do everything necessary to finalize it.

Best,
Charles

I just checked and the jury selection was followed immediately by a hearing. That's an additional 70-page estimate, so the additional cost for the jury selection & hearing is \$227.50. I owe you for 8 pages from the trial transcript, so I'll make sure it's all squared up after I type up the jury sel. And don't worry about the e-mail fee this time since you've already paid that. Hope this makes sense.

Please mail \$227.50 to PO Box 4356, Anderson, 29622.

My bad. Looks like I was working off limited information. I need to get jury selection and any other proceedings (motions, etc.) that happened the prior day. Sorry for the confusion on my end.

Charles

Charles,

I only quoted you for the trial transcript itself. The jury selection was done on 12/5, and then your letter stated you needed the transcript for the jury trial that concluded on 12/7. Therefore, I thought that was all you were requesting. I apologize if this was my fault for misunderstanding. Please let me know if you still need the jury selection. I will have to re-quote you a different amount.

I'm in Laurens today and just heard about Bennie Brown. That's so sad for him and his family.
