and AMAZON,

V.

Appellant.

SC Court of Appeals

PROOF OF SERVICE

I Bobby Anderson hereby certify that I have served the Notice of Motion to Wave filing fees. On Amazon Attorney Jared C. Williams and Commissioner T. Scott Beck Dated May 30, 2018. by depositing a copy of it in the United States Mail, postage prepaid and also VIA Fax, on May 30th, 2018, addressed to AMAZON attorney of record, Jared C. Williams, 885-B Island Park Drive Charleston, South Carolina 29492 and I personally walk-in and hand deliver a copy to Anita East of Workers or Ms. Peggy of Worker Compensation or any other agent of Compensation and fax copy of the documents to Workman Compensation at Commissioner T. Scott Beck office at 1333 Main Street, Suite, 500 Columbia, SC, 29202-1715

I would like to move forward without the transcripts of the hearing because I am unable to afford and obtain copies of the transcript because of the fees cost for the production of the transcript. Would cause me a finical hardship. This letter is to support my application for my application for appeal fee waiver. I have a hardship since my work related injury. I am still experiencing a disability because of my injury. I am in the process of losing my place to stay and I don't think I am well enough to return back to work at this time. I am still having issue because of my work related disability. Section 42-15-60 specifically refers to the term "disability" and make no reference to maximum medical improvement." Given the statutory language and our supreme court's construction of it. "Maximum medical improvement" is a distinctly different concept from disability." "Maximum medical improvement" is a term used to indicate that a person has reached such a plateau that in the physician's opinion there is no further medical care or treatment which

will lessen the degree of impairment.” O’Banner v. Westinghouse Elec. Corp., 319 S.C. 24, 28, 459 S.E.2d 324, 327 (ct.app. 1995). However, the fact a claimant has reached maximum medical improvement does not preclude a finding the claimant still may require additional medical care or treatment. See Scruggs v. Tuscarora Yarns, Inc., 294 S.C. 47, 362 S.E.2d 319 (Ct.App.1987).

I fall behind of my rent due to loss of income because of my work related injury. I am having a very hard time dealing with my debts because I never had a financial problem before. There are so many expenses and managing a home and a family. I am inclosing a copy of my bank statement to support my claim of hardship and no income. I ask that you great my fee waiver and immediate financial support until I am able to return back to work.

I ask that all parties agree to this request to move forward without the transcript unless you would like to pay for them. if you disagree moving forward without the transcript please let it be known in written. If you fail to respond in (7) seven day’s you give me consent to move forward by your silence and your waiver any rights that you may maintain to proceed with your case. You will not dispute any claims and your waiver any rights to any action of claim.
