SOUTH CAROLINA DEPARTMENT OF CORRECTIONS
REQUEST TO STAFF MEMBER

TO: NAME:	TITLE:	DATE:
Jenny Abbott Kitchings	S.C. Court of Appeals	3-20-18
INMATE'S NAME:	SCDC #:	
Tyrone Perry	307793	
INSTITUTION:	LIVING QUARTERS:	
Kirkland Corr Institute	GPH-149	

I'm currently indigent and owe SCDC 700.00 in restitution so each time I get money sent im only left with \$6.43 which I have to juggle between hygiene, food, and legal supplies. Per SCDC policy if money is sent to your account that exceeds 6.43 you are not considered indigent for 30 days and ineligible for legal supplies although all you have available to spend is 6.43. So I didnt have enough to afford legal supplies so I guess confidentiality out the door Back in Nov 7th 2016 Appellate Case # 2016-001606 was dismissed without prejudice because of appellat's pending 59(e) motion. The remittitur was sent down January 12, 2017. Ms Abbott Kitchings I know you dont have jurisdiction, but what do I have to do to get this motion ruled on? It's been 14 months and I still got nothing. I filed motions to compell in the circuit court all to no avail. What do you suggest I do? I pray you can assist me

Thanks in Advance
