Hello Mr LeBlanc-
my apologies for not seeing this email first but I did not inform the court that I have not received them, but in fact sent them an a letter with your email as an attachment informing them that I had received the transcripts.

I am not any place where I can access a computer to review the information I had sent the appellate court. As soon as I am able to I will verify this information and send you a copy, along with sending another letter via us mail to the appellate court and the court of administration with notice.

Sorry for the inconvenience but I will do my best to amend this unfortunate issue as quickly as possible.

Thank you for your correspondence and time,

Most sincerely,
Molly,
