→

Hi JUL 02 2018

Reconsideration) received by S.C. Supreme Courts (for)  
Appellate Case NO. 2018-000885 Lower Court Case NO. 2016 CP 170013 ?  
I mailed it in (And) things are very (Difficult) while this entire  
state is locked Down SCDC prison system wise no one  
moves NO were! (Lock Down) For a cell and totally  
violating my rights to use the law computer (or) Be at the  
law library do to (over) 18 prisoners being (Murdered)

At Lee County Prison in Bishopville S.C. this made the news

And got the entire state of S.C. and SCDC locked Down. (And) is  
seriously interfering with me fighting for my freedom to go  
home (IF) I had a chance to research and SCDC had  
proper security and wasn't so crooked (I) would've had different  
results in that order by (Chief Justice Beatty) this is facts.  
They transferring prisoners out of state (But) still (I) need to be  
(Separated) out SCDC custody so I may be able to continue  
legally (and) lawfully fighting this case (And) NOT allow  
Gang violence of others and these manipulated murders  
do to crooked SCDC officers assistance interfering with my case.

(The Director Bryan P. Sterling is at fault for mismanaging SCDC  
security, and his oppressive tactics he's teaching employees which  
causing this and the ripple effect is this (people rights violated,  
can't fight cases caused to be lost case wise do to no way to be  
provided law library time (or) law computer time to research and fight

② will be done to fix this with SCDC because lock down is worse (I) ASK Chief Justice Betty ORDER SCDC to separate me from there custody to a place I may be able to move, fight my case here, and be safe from around this foolishness and able to be around people short prison time wise like no (want) to go home I got no business being housed around NO ONE got over 5 yrs left to max out (SCDC entire system is seriously flawed its costing people like me extra torture and punishment that the law or statutes I'm falsely
