REF: Case # 2016-000598

Dear Clerk:

I am submitting this \$25.00 payment to filed a motion with notification of improper actions of this COURT, Amazon.Com and American Zurich. SC Judicial System to be desperate for financial support is willing to based their actions on deception in collaboration with Amazon.Com and American Zurich. Collecting from those of indigent status to filled your own pockets for profit to deny justice.

I am willing to address Atty. Hiser face to face before the COURT to confront distortions made by Amazon.Com and American Zurich while presenting their own written documents filed with S.C. Court of Appeals since my claims are baseless. By S.C. Court of Appeals unwilling to read, comprehend and verify speaks to level of corruption and collaboration with Respondents to deny justice. The \$25.00 payment is with known to be with deception and abuse.

Justice delayed does not mean justice denied.
