I called the Court Administration today and they said I should send you a copy of the Email showing that the Transcript has been put in line for Production.

I have also copied Kenneth Goode for the respondents.

If I have missed anything please let me know. I am a Pro Se indigent litigant and am finding this all very confusing as I suffer from Post Dramatic Stress Disorder associated with this case.

Respectfully,

Dear Ms. Andersen,

I have placed in today's US Mail, and addressed to your PO Box in Huger, a \$260.00 check to cover my transcript request. Thank you for your attention to my request. I am expecting, within the indicated 60 day window, a pdf file of the transcript emailed to my email address.

With regards,

David McLean

Thank you for your help in this matter but I do not need it expedited at the additional cost. If it has been done I will pay it.

Again thank you so much for your help with this loan.

Ms Andersen,

I made payment to your email address through my Bank of America online banking. This process, specifically making a payment to an email address, is new to me, but I had assumed that it would work since offered by my bank. I will look into cancelling this specific payment.

I do not have a PayPal account, so I will need to execute another payment method. I would send a check through the mail, but, as I understand, the timing of my request is more pressing than mail would allow. Could you accept a credit card payment over the phone? Or perhaps I could stop by your Mt. Pleasant office (perhaps mid to late afternoon today?) with either cash or check?

Thank you for your continued patience with my request.

With regards,

David McLean
