"Motion to the Reviewing Authority"

Now comes the above captioned appellant who would move for this court to suppress all evidence garnered from a illegal investigation, by Inv. Daniel Wilson in violation of the Wire, Electric, or Oral communications act.

To wit, Investigator Daniel Wilson in violation of S.C. Code §17-30-70 and §17-30-80, did illegally record "Tristen Brower", for a violent crime investigation for kidnapping, armed robbery, possession of a firearm during the commission of a violent crime, burglary first degree, without processing an application or a order. sted, for a violent crime investigation. It would appear that the extent of Inv. Wilson's violations in this matter should extend the scope to include but not limited to S.C. Code § 17-30-20 through § 17-30-145.

Futhermore, I was not aware, nor did my attorney make me privy to Title 17, Chapter 30 and /or the exclusive remedy for the violation of this chapter.

In addition due to Investigator Daniel Wilsons' breech of proper procedure and /or protocol, as well as illegal actions, any and all evidence produced in this matter by this investigator should be suppressed and excluded from this case.

### Conclusion

Therefore, the Appellant would respectfully ask this court to suppress and exclude garnered evidence in this case produced by the investigator.

Respectfully Submitted,
