RE: St. V. Stephanie J. Greene

Appellate Case No 2014-00074

+ Bond Petition filed May 25, 2017

Your Honors;

I am writing about my above-mentioned outstanding Supreme Court appeal and bond petition. It is going on 15 months since the oral arguments were heard and I am desperate for some news and can't understand what could possibly be taking such an inordinate amount of time. I also do not understand why, if the court is STILL not ready to issue a ruling after ALL this time, why the court will not please issue me a bond. I am being kept from my family for a crime that is physically impossible for me to have committed. My husband, who believes in my innocence and has stood by me through this nightmare is now battling Stage IV throat cancer alone. Our 11-year-old son Brandon has no one else, with me here. Does the state not care that there are human beings behind these case numbers? People who are suffering and desperately waiting for a decision each Wednesday, and each Wednesday with no news is another week I am crushed and devastated all over again. My lawyer, Rock Wise is at a total loss as to what is taking you all so long. Please help me, have a heart.

Sincerely, Stephanie J. Greene
