Re: Peter Miller v. Marilyn L. Dillon  
Appellate Case No. 2018-000084

Dear Counsel:

The Court received your request for an extension of time to file the appellant's initial reply brief and designation of matter. At this time, our records reflect the respondents' initial brief and designation of matter have not been filed with the Court. We are not able to ascertain the due date for service of the appellant's initial reply brief and designation of matter until we receive proof of service for the respondents' initial brief and designation of matter. *See* Rule 208(a)(3), SCACR. The respondents' initial brief and designation of matter is currently due to be served no later than July 16, 2018. We will not consider your motion until after filing of the respondents' initial brief and designation of matter.

Very truly yours,

  
CLERK
