Subject: York appellate documents

Hello Billy - sorry to be a pest but if you're good with this plan will you shoot me a reply with "ok." The court won't release the stuff to me without your consent and we want to catch them before they take the copies out with the trash.

I hope you've enjoyed a successful day.

Good morning Billy.

Thank you for taking my call a few minutes ago. At your convenience, please send me a quick reply documenting that I have your consent to pick up the remaining appellate

documents from the Court of Appeals so the Court will not dispose of them. I can hold them until the rehearing petition is denied. If the Court were to grant rehearing (which I highly doubt) and the circumstances become such that you need to file for cert, I can certainly make arrangements to get the documents to you.

All the best,

-BH

Re: Tyrone York v. Longlands Plantation
Case Tracking No.: 2016-000258

Dear Ms. Kitchings:

I am in receipt of your letter regarding remaining bound copies of the record on appeal and briefs. Respondent York respectfully requests the Court retain these documents for our office to pick up. My assistant, Erin Bridges, has contacted the Court to make arrangements to pick up the remaining copies.

Please find enclosed correspondence from counsel for Appellant consenting to this request.

Thank you for your attention to this matter. If you need any additional information, please do not hesitate to contact me.

Sincerely,

Blake Hewitt
