Comes Now, the Appellant Alexander Pastene, and answers Respondent's Motion to supplement the ROA, dated July 5th, 2018, and respectfully requests that the Motion is denied, *inter alia*, insomuch that it seems designed to further delay this instant case and thus continue to evade dealing with the merits of the case, i.e.: payment of an unpaid debt, despite the Appellant having timely answered their counterclaim, denied every allegation, and demanded strict proof.

Respectfully submitted,

Signed _____
