Re: Assistive Technology Medical v. Phillip DeClemente
Case Tracking No. 2018-000460

Dear Ms. Kitchings:

My office calendared today, July 13, as the deadline to file Respondent's initial brief and designation of matter, however since the appellant filed his initial brief he has also moved to amend his designation of matter.

I consent to the motion to amend. My understanding is that the Court's ordinary practice is to set a new briefing deadline after resolving motions and deficiency letters occurring during briefing. Thus, I do not intend to file the respondent's brief today. If the Court would like a formal motion for extension please do not hesitate to contact me.

Yours sincerely,

Blake Hewitt
